The Consortium of Studies in Race, Colonialism, and Diaspora (RCD) is the academic home for Africana, American, Asian American, Colonialism and Latino Studies — all programs that link innovative, progressive, and outstanding scholarship and learning on race, colonialism, and diaspora.

We welcome all students, faculty and staff to a community celebration and interactive discussion, facilitated by program directors, about how our intersectionality and differences help us understand the study of race, colonialism, and diaspora in plural and more profound ways.
