

Dean's Faculty Forum
at Tufts University Presents:
"Religion as a Natural Phenomenon"

A Talk with Dan Dennett

Join us as Dan Dennett, University Professor and Austin B. Fletcher Professor of Philosophy, discusses the themes central to his new book, *Breaking the Spell: Religion as a Natural Phenomenon*. This talk explores what we can learn about religions by looking at their inception, evolution and how they are being redesigned in our own times.

Following the lecture will be a commentary led by Father David O'Leary, University Chaplain.

Date: April 10, 2006
Reception: 5:15 p.m., 3rd Floor Ballou Hall
Lecture: 6:00 p.m.
Location: Coolidge Room
