| PhD Yrs 1-5       | 20% Tuition (7/2016 - 7/2017)  
25% Tuition (7/2017- ongoing)  
100% Health Insurance Fee  
100% Health Fee | These charges are prorated based on the level of effort of each graduate student budgeted and are reflective of the institution's commitment to support graduate education. Currently, GSAS covers the full tuition, health insurance and health fees costs of all PhD-Level graduate students.  
NOTE: Doctoral students working only in the summer will incur the health insurance fee only.  
Tuition rate charged to a grant is based on the current year tuition rate posted on the Tufts website. That rate must be escalated by an annual rate of 4% and prorated based on level of academic effort (9 months). The 4% rate is consistent with the rate as set forth by the Trustees.
