

INSTRUCTIONS: Submit with the Advisement Report and any other major or minor checklists to the Student Services Desk by the due date. If substitutions are made, it is the student's responsibility to make sure the substitutions are acceptable to the Department. For transferred credit courses, list by title and add a (T) next to them. Indicate which courses are in progress or to be taken.

Student Name: _____

ID# _____

Other Major(s): _____

Graduation term: _____

We certify that completion of the above courses will satisfy all requirements for the Environmental Studies major.

Student's Signature: _____ Date: _____

ENVS Assistant Director's Signature: _____ Date: _____

Environmental Studies Co-major Policies:

- 10 courses required: 5 cores, 5 track-specific, 1 internship (ENV 99).
- Electives must come from at least two departments and one of them must be a seminar.
- All course substitutions must be approved by the Environmental Studies Program.
- No major course may be taken Pass/Fail.
- Students may double-count up to three courses between the Environmental Studies major and their co-major. Check the Bulletin for rules on double-counting courses.
- Students may double-count up to two courses between the Environmental Studies major and a minor.
- Students may use up to two non-Tufts classes toward the Environmental Studies major. This does not apply to classes taken in Tufts abroad programs.
- Students may only use one Ex-college class toward the Environmental Studies major.
- Please see the Environmental Studies Program Website for complete major requirements/policies.
