Meeting virtually in fall 2020
no audition required!

To join us, attend our first virtual rehearsal:
FRIDAY, SEPTEMBER 11th, 2020, 3:30-5:30pm.

The Tufts University Third Day Gospel Choir is a large choral
ensemble that sings and celebrates the gospel music tradition. By
learning about the history of African-Americans and the evolution
of this genre throughout the last 60 years, students are provided
with a unique rehearsal and performance experience. Each semester
highlights the things that make the gospel music experience a special
one: community building, singing with conviction, spirituality, and
of course moving and clapping to energetic and uplifting songs. No
prior music experience is necessary, and auditions are only required
for soloists.
