Welcome to the Tufts University Concert Choir and Chamber Singers! Our singers come from all over campus to sing beautiful, exciting, challenging music in all styles, from all cultures.

**Concert Choir (Music 81)**
This large choir of around 65 singers performs with and without orchestra, including choral classics, new music and other styles including world music, folk, Broadway, pop, and jazz. Rehearsals: Mondays and Wednesdays from 4:30-5:45p in Distler Hall.

**Chamber Singers (Music 82)**
This smaller choir of around 25 singers perform works in all styles, from all periods. Rehearsals: Mondays and Wednesdays from 3:00-4:15p in Distler Hall.

**Audition Dates**
- Tuesday, Sept 3; Wednesday Sept 4; and Thursday, Sept 5
  *Note: You only need to sign up for one time; you may choose to audition for one choir, or both, and we’ll discuss when we meet!

**Audition Location, Times and Sign-up**
Auditions are in my office, Granoff 174. Please sign-up for a time on the sheet posted on the big music department bulletin board, across from the office in the Granoff Music Center.

**Audition requirements**
- Auditions are purposely designed to be informal and NOT SCARY! There are three simple parts:
  1. Range: We will sing a simple exercise to determine your highest and lowest note.
  2. Hearing exercise: I will play three notes and ask you to sing them back to me.
  3. You will sing as much of a short sight-singing example as you can, as slowly as you like. This is only for me to quickly determine your current music-reading level and you do not have to prepare. Advanced sight-singing is NOT REQUIRED for acceptance and is not the most important part of the audition. We will all become better readers by singing together.

**Audition results**
I will email you within 24 hours of your audition, if not sooner.

Please write me with any and all questions. I look forward to hearing you next week!
