

Tufts Part-time Faculty Professional Development Fund

In Fall 2017, the bargaining committee of the Tufts part-time faculty signed a union contract with the administration. Among its provisions, the contract established a Professional Development Fund of \$40,000 per year, to reimburse faculty for educational and professional development expenses of up to \$1,000 per faculty member in a two (2)-fiscal-year (7/1-6/30) period starting with FY17-18. At the end of the first year of a given two (2)-fiscal-year period, any amount below this two (2)-year cap that remains unused by a part-time faculty member will roll over into the next fiscal year. The Fund became operational July 1, 2017. Language of the union contract describing the Professional Development Fund is included starting on p. 6 of these Guidelines.

Eligible Applicants

Part-time faculty members in the School of Arts and Sciences (including the SMFA) who have completed more than two (2) continuous years of teaching at Tufts are eligible to apply to the Professional Development Fund.

Eligible Activities and Expenses

The activities, expenses, and material resources listed below are eligible to be reimbursed or paid for through the Fund. A past activity or expense must have occurred within 6 months of the date of application **and within the fiscal year of the application**. A future activity or purchase must occur no later than 6 months after the date of application **but within the fiscal year of the application**. All receipts must be submitted **prior to fiscal year-end deadlines** for processing expenses of the applicable fiscal year (i.e., the year in which the request was made). **All applications must be submitted by June 23 of any given fiscal year.** Any exceptions must be approved by the Dean. When applying for the Fund, you must indicate how the activity or purchase relates to the courses you teach at Tufts, enhances your pedagogy, or contributes to your professional development.

- ◆ **Conference** – any portion of the registration, travel, or accommodation.
- ◆ **Workshop** – training session.
- ◆ **Course** – taken for continuing education – support toward tuition and books purchased for the course.
- ◆ **Books** – purchased for curriculum development and teaching of your courses.
- ◆ **Professional dues** – to membership organizations relating to your field of teaching or practice.
- ◆ **Journal subscription** – related to your teaching and not available through Tisch Library.
- ◆ **Curriculum-driven teaching aids**
 - Hardware and software – desktops, laptops, tablets, computer repairs, recording devices, graphic software, other specialized software, directly used for curriculum development and teaching (see additional information and process for purchasing desktop/laptops/tablets on pp. 3-5). Mobile phone purchases are not allowed per school and university guidelines.
 - Other equipment – musical instruments, mats, screens, fabrics, art supplies, and specialized furnishings not otherwise provided by the department or university.

Application Process

Applications are accepted on a rolling basis.

- ◆ Fill out **and submit ONLY** the application form on p.5.
- ◆ Email your application form (**just that page**) to:
 - The Dean of Academic Affairs for your department/program – either Sam Thomas sam.thomas@tufts.edu, Nate Harrison nate.harrison@tufts.edu, Bárbara M. Brizuela barbara.brizuela@tufts.edu, or Robert Cook robert.cook@tufts.edu (see list of deans, departments/programs, and administrators on p. 2-3).
 - Cheryl Tano (cheryl.tano@tufts.edu) Lecturer in Romance Studies, PDF Manager, and union representative.
 - and copy your department/program administrator, your department chair/program director, and Aya Ross in the A&S Dean's Office (Aya.Ross@tufts.edu). If you are an SMFA faculty member also cc Kenson Truong (Kenson.Truong@tufts.edu).
- ◆ Write in the subject line: PART-TIME Professional Development Fund Application.
- ◆ You will be notified of whether or not it has been approved within a week of your application. You may be contacted by email if additional information is needed.

Paying for the Approved Activity or Purchase

- ◆ Once your application has been approved (via email from the Dean), there are two options available to pay for the activity or purchase:
 1. **PREFERRED:** Pay for the activity or purchase with your own funds and file a reimbursement **claim** using the process detailed below.
 2. **IF THE ABOVE OPTION IS NOT POSSIBLE:** Have your Department/Program Administrator pay for the purchase using the departmental Tufts-issued Corporate Purchase and Travel card; they will then need to reconcile the expenses.

*Note that for computer purchases you have the option of TTS purchasing the computer and then requiring you to write a check for the balance to the Trustees of Tufts College.

Reimbursement of Private Payment

- ◆ As soon as possible work with your department/program administrator to create an expense report on Apptricity, with Aya Ross as ad hoc approver. **Make sure all receipts are attached. Remember that receipts need to be submitted prior to June 30.**
- ◆ Reimbursement will be in the form of an automatic deposit into your bank account (the same account where your paycheck is deposited).
- ◆ Expect two weeks between submitting your receipt(s) and getting reimbursed.

Purchase of desktops, laptops, and tablets

As a part-time lecturer, you can use the Professional Development Fund to purchase a laptop, tablet, or desktop either as a Tufts-issued or personal device. If you purchase one such item of technology in one year, you may not purchase another until three years later. Professional Development Funds may not be used to purchase mobile phones.

Option 1: Tufts-issued laptop, tablet, or desktop

You can request a Tufts-issued Dell, Lenovo, or Apple laptop, tablet, or desktop, which are the reliable brands that Tufts TTS buys from vendors. This will be a purchase by your department/program, toward which the \$1,000¹ will be a subsidy. The advantages are that:

- You will have access to Tufts-issued software licenses that are expensive to buy or subscribe to on your own. To see which software licenses are available free or at a cost on personal devices or available only on Tufts-issued devices, go to <https://it.tufts.edu/soft> and click on the name of the software you are interested in.
- TTS will handle all the purchase, delivery, and installation (set-up, connection to printers, software installation, email configuration, etc.).
- The laptop/tablet/desktop will be a quality, sturdy, and reliable device, well-known by TTS technicians, and will last at least through the warranty (3 years) and may last longer, depending on your use.

¹ All references to \$1,000 assume that the part-time faculty member is eligible for the full amount during the given two- (2) year period. There will be cases when part-time faculty have already spent part of their \$1,000 allowance in the previous fiscal year, in which case the eligible amount will be less than \$1,000 in the present fiscal year.

- You can bring the device home and use it just as a personal computer for preparing courses, grading papers, etc. In the case of laptops and tablets, can use it in the classroom, and can travel with it to conferences, presentations, etc.

The disadvantages are that:

- You must pay your department/program the difference between \$1,000 and the cost of the laptop/tablet. Tufts-issued laptops vary in cost from \$1,100 to \$2,500.
- The device is owned by your department/program. If the laptop is replaced at the end of its warranty, or after a longer period depending on use (3 to 5 years), the new laptop will not necessarily be returned to you. If you leave Tufts, you must return the laptop/tablet to Tufts.

Option 2: Personal desktop, laptop, or tablet

The advantages of purchasing your own desktop, laptop, or tablet are that:

- The cost of the laptop/tablet/desktop can be lower on the market and the PDF would reduce it further.
- The purchase may be quicker, especially at times of great demand on TTS services, such as just before a semester.
- You own the device and can dispose of it as you want.

The disadvantages are that:

- You will not have access to certain Tufts-issued software licenses (see <https://it.tufts.edu/soft>).
- Brands other than Dell, Lenovo, or Apple have shorter warranties (90 months to a year) and TTS will only service them on a “best effort” basis, depending on TTS technicians’ availability. If the warranty of a device of any brand has expired, TTS will service it for a fee. In which case you should consider paying for repairs out of pocket.

Process for purchasing a laptop, desktop, or tablet

Contact Tufts Technology Services (TTS) at it@tufts.edu or 617-627-3376. Explain what you are looking for and what you will be using it for. Choose whether you want TTS to buy the laptop/tablet/desktop for you through your department/program (option 1), or whether you want to buy your own on the market (option 2).

Option 1. Tufts-issued laptop, desktop, or tablet

1. If you want TTS to purchase the laptop/tablet/desktop for you, they will recommend the best product for your intended use among Apple, Dell, and Lenovo devices. The cost will be between \$1,100 and \$2,500, depending on the device.
2. Once you have settled on a specific device, submit a PDF Application to your Academic Dean (see chart on p. 2-3) and to Cheryl Tano, and copy your Department/Program Administrator (chart on p. 2-3) Aya Ross in the A&S Dean’s Office as well as Kenson Truong if you are at the SMFA.
3. Once your application is approved, notify your Department/Program Administrator that TTS will make that purchase and they will work with Tony Luongo (tony.luongo@tufts.edu) to initiate the purchase.
4. Lastly, you will need to write a check to the Trustees of Tufts College for the difference between \$1,000 and the total cost of the device, if applicable, and submit that check to your Department/Program Administrator.
5. You are all set. TTS will purchase the device and set it up for you. The turnaround time between your request to TTS and getting the device will vary, depending on the type of device, from a week (standard Dell laptops that TTS has in stock) to over a month (Apple laptops).

Option 2. Personal desktop, laptop, or tablet

1. If you want to purchase your own desktop/laptop/tablet, TTS can still recommend the best product for your intended use. You may want to take their advice. This is less necessary for iPads and Mini iPads, but could be useful for other types of tablets.
2. Submit a PDF Application to your Academic Dean and to Cheryl Tano, copying your Department/Program Administrator and Aya Ross (as well as Kenson Truong if you are at the SMFA) to be approved either for a recent (past 6 months but within fiscal year) or future (next 6 months but within fiscal year) purchase of a device.
3. Once your application is approved, and if for a future purchase, purchase the device at a store or online (Micro Center in Cambridge is a good place, with well- informed staff).
4. As soon as possible work with your department/program administrator to create an expense report on Apptricity, with Aya Ross as ad hoc approver. **Make sure all receipts are attached. Remember that all receipts need to be submitted prior to June 30.**
5. You will be refunded up to \$1,000 for your purchase, through a direct deposit to the same bank account where your paychecks are deposited. The turnaround time between your purchase and getting your reimbursement will be approximately two weeks.
6. If needed, TTS will set up your personal device with connections to Tufts services, connect your device to printers, install anti-virus and other software, and configure your email. Most lecturers can do this on their own, but this could be useful if it is your first device. Please note that if you leave Tufts, any Tufts-licensed software installed on your laptop or tablet will need to be removed before you can take your device with you.
