

EQUALITY OF ACCESS TO ENGINEERED SYSTEMS

POLITICS OF HEALTH CARE

STEM ethics roundtable

ALGORITHMIC BIAS

MEDICAL EXPERIMENTATION AND CIVIL RIGHTS

Thursday, April 26 | 4:30-5:30 p.m.
Bromfield Pearson 6

How are histories of (un)ethical practices relevant to STEM? How are these discussions incorporated in teaching and training at Tufts? Join oSTEM for a roundtable discussion on the many ethical dimensions of science and technology.

Cosponsored by oSTEM, Science, Technology and Society Program, and the Department of Philosophy
