

STS Student Lunch Series:

DATA TOUR

Friday, November 18, 2016 @ 12:00 PM

The DataLab

Tisch Library – Room 203

35 Professors Row

Join us for a tour of the new Tufts Data Lab with
Josh Quan , Social Sciences Data Librarian and
Carolyn Talmadge, GIS Specialist

We'll explore resources for data-rich projects and
coursework and answer your questions about the STS
program and GIS

Lunch will be provided. All are welcome!

Berlin Stadtbild

Stadtbilder is an attempt to map the Gestalt of cities as manifested in digital traces. While traditional maps show us buildings, roads and physical infrastructure, this map reveals where and in which form the city is alive.

Moritz Stefaner, 2013
